

Snowboard 101 Extended Season

Snowboard 101 is the program that is designed to teach kids about regional competition. Regional Contests usually end in early to mid March and then a lot of kids move on to playing baseball, soccer, or other spring activities. There are always a few that don't want the winter to end, a few that qualify for nationals, and a few that think spring shredding is the best. That is why we do an "extend your season" for the 101 program. Those few that can't stop and won't stop, don't have to stop.

There is no USASA nationals, but Rocky Mountain Series has added a few regional contests to the calendar the first week of April. We would like to continue the tradition of allowing 101 kids to extend the season to the same end time as the 201 kids.

Here is the Plan:

March 20- 101 official end date

March 21- day off

March 27,28- normal training Pipe, Slope, SBX

April 3,4- Normal Training Pipe, Slope, SBX

April 5,6,7- Season Finale pipe, slope, SBX, and Rail Jam contests

Cost: \$500

*contests are not mandatory, kids don't have to compete in anything they don't want to compete in, no discounts for not competing.
