

# **TEAM SUMMIT**

COLORADO

## **Park & Pipe Airbag Training Opportunity** **July 6 - July 10** **Park City Airbag at Utah Olympic Park**

Tuition: \$470.00

Where: Park City Air Bag at Utah Olympic Park

When: July 6 - July 10

What:

UOP Airbag is a world class jumping facility. This location offers medium and large jumps for practice. We can safely work on straight airs, spins, grabs, and inverts with a soft sloped landing bag to help refine movements. The bag reduces risk, but does not eliminate it.

Athletes must use good judgement and etiquette to successfully navigate the venue. Coaches are stationed at the bottom and middle of the course.

Cost: \$470 - Covers training and Coaching only

Social Distancing:

This camp will adhere to social distancing requirements including (but not limited to):

- Families book their own housing and provide their own transportation (no vans)
- Athletes and coaches will wear masks while training or in social settings
- Athletes and coaches will adhere to at least a 6-foot distancing requirement
- Coaches will have hand sanitizer and soap available at the top of the course
- All participating will adhere to additional procedures outlined by the venue and current protocols
