

Woodward Summer Camp

Dates

July 11-17 week 6

July 18-25 week 7

Bonus week August 16-20th

Woodward was able to increase their snowmaking this past fall which will make summer skiing even better this year. Summer skiing is not just "a thing," it is "*THE* thing." For Weeks 6 & 7, Woodward will have their standard small and medium jump and transition features, possible airbag, and large, small, and medium rail features. With the park serviced by the Magic Carpet in the summer time, we can get 8-10 laps per hour. That's 24-30 jumps/hour in addition to countless rail features. Summer training is one of the best and most fun ways to up your skill level.

Woodward is planning on having overnight camp this year. If kids elect to do overnight, they will be on snow with Team Summit from 9-2:30. At 2:30 they will be checked in with a Woodward counselor for the rest of the day. With the counselor they have options to spend the afternoon in The Barn, and various other field game type activities. Kids in the overnight camp will check-in with Woodward on Sunday afternoon, go on snow Monday-Friday, and get picked up by their parents on Saturday morning.

If kids elect to do day camps, parents will drop the kids off in West Village at 8:30 and pick them up at 2:45 Monday-Friday.

Lunch will be provided for all participants this year. Overnight and Day Camp are for kids age 7 & up.

Tuesday- Day 2 on snow

This will be ideal for kids who are working on tricks bigger than 720's, competing at the FIS level, or looking for more time on snow. There will be no small features for bonus week, there will be no overnight options for this week. There is potential to have a start gate and small Ski Cross sprint course this week.
