**Additional Information:**

Come hang out with us at the Imondi Wake Board Complex in Fruita Colorado. Wakeboarding is great cross training for snowboarding but equally important is the team building that takes place on the little trips. Building a strong team early in the season helps the riders feel comfortable in the start gate with a strong support crew at the end of the season.

Imondi is a cable system wakeboard park. It is very beginner friendly. All the kids will start with a 30-60 minute lesson on the starter tow before moving over to the main tow. Once the lesson is over we will spend 2 hours on the water at the main park. For the evening we can go to the skate park, find a swimming hole, or go for a bike ride in the Fruita area.

We will leave after school on Friday Sept. 17<sup>th</sup>. 2-3hrs on the water on Saturday, 2 hours Sunday and return home Sunday evening between 6-7pm.

Friday- Leave Summit around 4pm

Saturday- wakeboard 12-3pm. Activities 3-9pm.

Sunday- Wakeboard 12-2pm Return home 6-7pm

Kids will need money for food on the road (approximately 2 dinners and 1 lunch). Meals will be provided in our lodging situation.
