Why Hood: Because Oregon is RAD! We get full laps just like we do in the winter. A typical top to bottom run at Mt. Hood goes banked slalom course or mogul venue access, to medium/large jump, to 22' pipe, to 18' pipe, to 3 jump medium line, to endless small medium and large jib features then do it all over again.

What: It's a skiing camp so you will need some good summer and spring shred gear. A detailed list will be provided before we leave. Also, we will camp one night on the way out and one night on the way home. Here is a detailed daily schedule. Sunscreen and lightweight water-resistant clothing encouraged. New wave party anybody?
