

# **VOLUNTEERING** WITH TEAM SUMMIT COLORADO

#### Why Volunteer?

Team Summit Colorado cannot offer the outstanding services we provide without the help of our volunteers. We absolutely could not exist without the help of our volunteers.

We provide a variety of opportunities ranging from supporting hosted events, helping our partners, engaging in with our community, to simply keeping us organized. We need all the help when it comes to hosted events such as Youth Ski League events. We host these events to limit the expense passed onto each family. (If we didn't, many families would be expected to travel well past Summit County.)

Team Summit Colorado strongly believes in a sense of community! We believe it is our responsibility to support the whole community, not just Team Summit's immediate needs. This why we are happy to support our partners, towns and additional causes.

Lastly, Volunteering with Team Summit Colorado helps us keep our costs down. Many Team Summit Colorado volunteer opportunities are built to ensure we spend money on what counts (such as the TSC Scholarship Fund), and not production costs.

Thank you for supporting Team Summit Colorado with your time. Your community thanks you!

### VSF Quick Reference

Intro to Team Summit, Devo, or Snowboard 101 VSF of \$250 = 25 hours / family All other programs have a VSF of \$300 = 30 hours / family \*Note: these fees and hours are shared by the family, not the individual. \*\*Athletes age 14 and older can volunteer for shifts for VSF credit.

If you successfully complete your 25/30 hours, you can get a credit for the next season, donate the deposit to TSC, or receive it back if you are leaving the program.

### So how do I sign up?

Please see the step by step walk through below. If you have any additional questions, please feel free to reach out to <u>events@teamsummit.org</u>.
