

Dear Team Summit Alpine Age Class and Ability Parents; All U16 and Older athletes; Alpine Age Class and Ability Coaches:

TeamSnap is used by The Alpine Teams at Team Summit for calendar and instant messaging. Your responses for each calendar entry under “Availability” indicating your plan to participate are critical to our organization.

All currently rostered athletes have been invited to their team’s TeamSnap calendar. If you cannot access your calendar search your email for “TeamSnap” or send an email to aldo@teamsummit.org and I will re-send the invite. Once you access your account, please edit all your account details to be sure the information is current and that you have indicated how you would like to receive communications.

We are currently staffing November training and need to know how many athletes plan to attend every day.

It’s very quick and easy to do in “bulk”! You can also respond to availability in the app but it is more time consuming as you need to open each calendar entry individually.

Log into TeamSnap using your browser, choose “Availability” and you will go to a page with all calendar events and rostered athletes

Find your name and click on it to have all your team’s events in list form where you can review your existing responses, modify them or complete responses for each calendar entry

Please indicate “Yes” or “No” – Please do not respond “Maybe”

Please do not leave availability blank – we assume that means that you have not reviewed the calendar

It is important for both Full-Time and Part-Time athletes to respond to every calendar entry for planning purposes and to know who to expect

Please check the calendar periodically and indicate your plans as far out as the calendar has been updated

We will typically have the calendar updated for the following month by the middle of the previous month

The Age Class Calendar is updated through November 10 and The Ability Calendar is updated through December 13

When something changes at the last minute, please change your availability

Alerts for any last minute schedule changes or new details will only be sent to those who have indicated they plan to be at the affected training or race event.

Thank you very much for your helping us to be as organized as possible!

Please continue to read below for additional important items.

Reach out to your respective Head Coaches with any questions or for additional information.

RMD Skills Quest Fitness Evaluation Details

The athletes following below are registered for the Skills Quest Evaluation. We are holding three additional spots until Wednesday in case you've missed the deadline.

If there are any changes, please notify Human Performance Head Coach Jack Farrell and change availability in Team Snap so we can change the registration with RMD.

The following releases must be completed for attending athletes and proof of vaccination must be provided:.

US Ski and Snowboard: https://drive.google.com/file/d/1s5Q_Lc6AoKdZYwwlIJYhWI-ygW8klNlUK/view?usp=sharing

Minturn Fitness Center: https://drive.google.com/file/d/1fcDtArUE7y_z_T3snT1vJG1ZaGd3zYKH/view?usp=sharing

All attending athletes and coaches must provide proof of vaccination to: darlene.nolting@usskiandsnowboard.org

Age Class

Bryce Monte
Claire Jackson
Elodie Olsen
Katelyn Lemon
Lauren Leffel
Lauren McCalla
Lucy Sumner
Mackenzie Cross
Nadia Leunig
Rosie Neale
Zoe Nelson

Ability Class

Abby Snook
Dylan Smith
Ella Snyder
Evan Brown
Liam Pilarowski
Michael Green
Niko Leunig
Olyvia Snyder

Seth Montgomery
Staley Buzek

Education Series: Equipment Set-Up and Maintenance

Now that you have bought or ordered equipment for the season, the real fun starts!

To maximize the performance of your equipment and ensure that every day of skiing is as productive as possible, the proper set-up of boots and skis followed by daily maintenance of skis is critical. This is the area where parents can make the most significant impact on their children's progress and where athletes U14 and older can remove a critical variable determining progress towards your goals.

An educational Zoom will be offered to present information and answer questions on Thursday October 7 from 5:30 – 6:15 PM. Please join using the following meeting information:

TSC loaner skis for SG/DH

Team Summit maintains a limited inventory of skis that are loaned out for Super G and/or Downhill to reduce the need for purchases of equipment that will be used for a limited number of days by most athletes.

**ANY WHO HAVE SKIS THAT WERE LOANED OUT LAST SEASON ARE
ASKED TO RETURN THEM ASAP SO THEY CAN BE RE-ISSUED.**

Team Summit accepts donations of suitable skis to its inventory and provides a donation letter for tax use.

Please contact coach Colin colin.suszynski@teamsummit.org to coordinate drop-off of returned or donated skis, to request SG or DH skis for loan from our inventory or other equipment related questions.

Race Calendar

At this time, the final race calendar is NOT available from USS/RMD. As soon as dates and locations are finalized, the information will be shared with the entire Team Summit Alpine community. The calendar and individual race announcements will always be posted and updated on the RMD page of the US Ski and Snowboard website: <https://usskiandsnowboard.org/sport-programs/regions-divisions/rocky-central-alpine-region/rocky-alpine-division-calendar>.

Season Pass Information

Information about Team Summit season's passes has not been received from our partner resorts. Once it is provided to us by the resorts, Team Summit Member Services Manager Lili Strachan will send a message to all members with details.

Which passes to get? The information for each program is in the Alpine section of the Team Summit website: <https://teamsummit.org/Alpine>

Team Summit does not receive discounts for the Ikon pass. Many may find this to be the best value when travelling to competitions at other Ikon Resorts and in place of the Copper Mountain Pass.

Competition License

USS competition membership deadline is October 15. Registrations after October 15 will be subject to a late fee:

Please check your registration status with US Ski and Snowboard. All SRD, Age Class and Ability athletes must have an "Alpine Competitor" License to go to races.
