

Woodward Summer Camp

Dates July 14-20th, 2024

Summer snowboarding is not just "a thing" it is "the thing." For week 7 Woodward will have their standard small and medium jump and transition features, airbag, and large, small, and medium rail features. With the park serviced by the magic carpet in the summertime, we can get 8-10 laps per hour. That's 24-30 jumps/hour and countless rail features/hour. Summer training is one of the best and most fun ways to up your skill level.

If kids elect to do overnight they will be on snow with Team Summit from 9-2:30. At 2:30 they will be checked in with a Woodward counselor for the rest of the day. With the counselor, they have options to spend the afternoon in the barn, skateparks, or various other field game-type activities. Kids, in the overnight, will check in with Woodward on Sunday afternoon, go on snow Monday-Friday, and get picked up by their parents on Friday Night or Saturday morning.

If kids elect to do day camps, parents will drop them off in West Village at 8:30 and pick them up at 2:45 Monday-Friday.

Breakfast and Lunch is provided for all campers every day. Overnight and day Camps are for kids age 7&up.

Who should go: Perfect Camp for Devo, Intro, and Competition program for kids 12 and under. The snowboarding is great for the older comp kids too.
