JACKET PICK UP

Jacket pick up will be available during limited hours

Hours:

10:30am - 2:00pm

3:30pm - 5:00pm

ALL waivers must be signed in [CampMinder](#) prior to Jacket Pickup. These include waivers for:

1. Team Summit
2. Copper Mountain Resort
3. Vail Resorts

*Please Note: *ALL* waivers must be signed regardless of where your young athlete will be skiing and/or riding.

If your athlete is starting their program this Saturday, we recommend bringing an alternate Jacket as Jacket pick-up occurs after they have left to go on hill.

Traditionally your athlete will get a new jacket every other year. This helps us keep costs down for everyone involved in the program.

TUITION PAYMENTS

Payment in full was due by October 15th, 2019. For those opting to extend payments through December 15th, a \$50 monthly processing fee will be added to your account. All balances must be paid in full by December 15th, 2019.

Please consider making your payment at orientation via check or cash to receive a 2% payment discount.

Alternatively, payments can be made by credit card through [CampMinder](#).

Please refer to the Team Summit Club and Membership Policies in [CampMinder](#) for more information.

Fun Fact:

Impact Testing is actually done on a computer!

The test is used to establish a cognitive baseline for your child. This way, if your child has a suspected head injury from any of the activities they may do throughout the year, you have a result to compare to.

This test is not shared with anyone outside of their direct health care provider.

IMPACT TESTING

Vail-Summit Orthopaedics (VSO) will be facilitating baseline IMPACT Testing for all athletes over the age of 12 at the start of the season. New tests are recommended annually. Each athlete needs to bring their laptop and \$15 cash or check only - Payment accepted at the VSO table at Family Orientation. If there are any questions, please feel free to reach out the Rachel Freeman, 970-296-4811. Thanks and we look forward to another great season.

Registration can be completed here:

As a reminder: You must provide your own laptop!
