Team Summit Colorado (TSC) is seeking qualified Alpine coaches to join our team for 2018-19 season. Part-time and full-time seasonal positions are available. TSC enjoys one of the longest winter training periods in the country, with in-county on-snow programming running from late October through May.

TSC is a youth development organization empowering our athletes to realize and celebrate their personal podiums through athletics, education, and life skills by participation in innovative programming at our world class venues.

TSC is a fiscally strong and supportive organization, with a robust and active membership, a vibrant and active community, and we endeavor to support our staff's professional development from day one. Benefits available at TSC include support for both health (full-time employees) and accident insurance. Come join our team where our vision: *Elevating Youth*, is embodied in everything we do.

**Positions available include:**

**Full-Time Alpine Coaches:** Seasonal, full-time with salary, optional health insurance, accident policy, Epic and Copper Mtn. passes and continuing education.

**Part-Time Alpine Coaches:** Seasonal 1-3 day per week positions. Benefits include accident policy, Epic pass and Copper Mountain pass, continuing education.
