

# Post Grad Equipment

---

## Uniforms

All Team Summit athletes receive a complimentary Team Summit jacket, showcasing our sponsors. Athletes are required to wear their jackets during training and competition throughout the season.

## Boots

TSC coaches will assist athletes with proper boot alignment. Custom footbeds are not recommended.

## Back Protectors and Cut-Resistant Apparel

Though not mandatory, it is strongly recommended that athletes wear back protectors for spinal protection and use cut-resistant underlayers or suits to minimize the risk of ski edge lacerations.
